

EuroACE™ Metal Detector

This detector includes the best features of the world-famous ACE 250 but adds a powerful new DD searchcoil, enhanced iron discrimination and a higher frequency. Includes:

- 28 x 22cm PROformance™ DD submersible searchcoil (as shown)
- Garrett™ ClearSound Easy Stow Headphones (with in-line volume control)

Highly Recommended

- Coin Hunting, Jewelry Hunting, Relic Hunting, Competition Events, Dry Beach/Fresh Water Hunting

Recommended

- Cache Hunting, Prospecting, Ghost Town Hunting

EuroACE Special includes 2 FREE accessories!

EuroACE Metal Detector

Product No. 1140360....

Key Features

- **Powerful, large 28 x 22cm PROformance** Double-D searchcoil
- **Enhanced Iron Resolution™** allows more control of iron discrimination levels; helps separate good targets from adjacent junk iron.
- **Improved Audio***—Tone ID optimized to indicate distinctions between ferrous and non-ferrous targets.
- **Higher Frequency***—Offers improved ability to detect small conductive targets (hammered coins, nuggets)
- **Volume-control headphones**—Garrett's ClearSound Easy Stow headphones are included with the EuroAce.
- **Electronic Pinpointing** to speed target recovery
- **Accept/Reject Discrimination** to modify discrimination patterns
- **Five Search Modes:** select pre-set discrimination pattern or create your own
- **Continuous Coin Depth Indicator** to determine target depth
- **Battery Condition Indicator** shows battery life continually
- **Interchangeable ACE series searchcoils** are available
- **Pushbutton Controls** with One-Touch operation

*Compared to ACE 250 and ACE 150

Search Modes (Discrimination Patterns): 5 plus electronic pinpointing

- Jewelry
- Coins
- Custom
- Zero
- Relics
- Pinpoint

Garrett's ClearSound Easy Stow headphones are included with the EuroACE.

Volume-control headphones

The EuroACE has three times the iron discrim resolution of an ACE 250.

EuroACE Metal Detector

Product No. 1140360.....

Specifications:

Target ID Cursor Segments	12
Iron Discrimination Segments	6
Accept/Reject Discrimination	Yes
Search Modes	5
Sensitivity/Depth Adjustments	8
Electronic Pinpointing	Yes
Frequency	8.25 kHz
Audio Tone ID Levels	3
Standard Searchcoil	28 x 22cm DD PROformance
Length (Adjustable)	1.06m - 1.29m (42" to 51")
Total Weight	1.27 kgs. (2.8 lbs.)
Batteries	4 AA (included)
Warranty	2 Year, Limited Parts/Labor

EuroACE Metal Detector

Standard Searchcoil

28 x 22cm (8.5" x 11") ACE PROformance DD Searchcoil
PN: 2222000.....

Optional Searchcoils

30 x 22cm (9" x 12") ACE PROformance Elliptical Searchcoil
PN: 2221900.

22 x 16cm (6.5" x 9") ACE PROformance Elliptical Searchcoil
PN: 2221700.

11.4cm (4.5") ACE Sniper Searchcoil
PN: 2221800...

Use when searching for small, shallow targets in trashy or tight places.

Powerful New Garrett DD Searchcoil Offers EuroACE Search Advantages

- DD configuration provides greater detection depth and performance by significantly reducing the negative effects of heavily mineralized ground and saltwater interference.
- Long, narrow detection field provides excellent scanning coverage and target separation ability, as compared to conventional coils.
- **Garrett exclusive:** blunted tip and tail design further extends coil's total scan area and offers improved searching along obstacles (walls, fencing, etc.).
- Optimized for maximum detection depth on small relics and coin-sized targets.
- Excellent ground visibility through coil.
- Rugged, Rhino-Tough™ epoxy-filled construction.
- Waterproof design; near-neutral buoyancy in water.

Front View

Side View

DD coil's narrow detection field offers better target separation than a conventional coil.

Indicates increased scan area of Garrett's blunted DD coil design.
